ORT AMERICA Impact Through Education

Exclusive ORT America 100 Year Anniversary Glass Plate designed by Lori Charnow

The Florida region has commissioned a local artist to create this one-of-a-kind, glass serving plate which includes the limited-time ORTAmerica@100 logo. *Each plate is hand painted just for you!*

For 2022 only, we will be featuring this commemorative plate and the art of Lori Charnow. Lori is a self-taught Judaic artist specializing in reverse painting. She creates one of a kind, hand-painted functional "art-ware" designed to celebrate Jewish culture and family life. See Lori's work at www.LivingArtbyLeah.com.

This beautiful limited-time plate is available for purchase in 2022 for the special price of $100 to honor 100 years of ORT in America!
